

Christ's method alone will give true success in reaching the people. The Saviour mingled with men as one who desired their good. He showed His sympathy for them, ministered to their needs, and won their confidence. Then He bade them, "Follow Me." --*The Ministry of Healing*, p. 143. {ChS 119.3}-Emphasis added

By personal labor reach those around you. Become acquainted with them. Preaching will not do the work that needs to be done. Angels of God attend you to the dwellings of those you visit. This work cannot be done by proxy. Money lent or given will not accomplish it. Semons will not do it. By visiting the people, talking, praying, sympathizing with them, you will win hearts. This is the highest missionary work that you can do. To do it, you will need resolute, persevering faith, unwearied patience, and a deep love for souls.--*Testimonies*, vol. 9, p. 41. {ChS 117.5}
